

GEHR plastic tubes for sharpenable cosmetic pencils

GEHR sharpenable cosmetic tubes

Available in a great variety of materials, colours, shapes and styles!

Our cosmetic tubes meet the highest standards of the industry

- Product safety
- Compliance with all required regulations (e.g. EEC, FDA, REACH)
- Exact sizes with close tolerances
- Easy to sharpen
- In line diameter control
- Concentricity of the inner diameter
- Excellent barrier properties
- Absolutely round therefore easy to decorate
- Chamfered on both ends for improved application and decoration
- Consistency after filling and decoration
- Accredited laboratory to guarantee the high quality
